Our offer

Counsel and help:

Our centre has a team of professionals from different backgrounds and skills whose aim is to provide advice and counselling for parents, children and young people, and help with their questions, difficulties or problems.

You are welcome to contact us, tell us your problem – either by yourself or with your family or with another trusted person. Together we will try to find solutions. Sometimes just a conversation helps, sometimes more support is needed.

We support

- ♥ individuals
- ♥ the whole family
- ♥ educational staff

We work with
